

# EMAIL REACH-OUT TO BRANDS

WHEN YOU PROACTIVELY REACH OUT TO A BRAND...

## FOLLOW-UP

Hey (brand) team,

I imagine you hear from a lot of creators, so I wanted to follow up and see how we might be able to work together on your upcoming influencer programs or UGC needs. (Brand) is an organic fit to my life, and would resonate really well in the content I create and the audience it reaches.

I'm always happy to work within your budget so we get your team what you're looking for and I can show you how my audience reacts to (brand)'s message and products. Please let me know who I can speak with about this!

Thanks so much,
